Crop and Weather of Western Canada

WINNIPEG, Man., Aug. 25.—Unsettled and scattered showers prevailed over the three prairie provinces during the early part of the past week, with heavier rainfall in Saskatchewan, according to the weekly crop report of the Agricultural Statistics of the Canadian Pacific Railway.

Weather during the past four days has been moderate, with rain over the west and in these ideal conditions the crop will be greatly enhanced in all three provinces. The report states that there is a decided improvement in all crops.

Some apprehension was caused by reports of damage to fruit, which was found to be unimportant in relation to the general situation. Livestock receipts at the various stockyards continue heavy. Many are unloading from drive areas where feed is scarce. Prices are steady, the report says, with a demand for better class cattle. Pastures are much improved generally by rains of the past fortnight, but winter feed will be scarce in some areas.

Harvesters are arriving daily in large numbers from the east, and will be augmented by services of hundreds of farmers from the drought areas, and the latter, it is expected, with their experience, will prove excellent help.

MANITOBA.—Ideal ripening weather has followed scattered showers early in the week and there is a marked improvement in all crops. On the whole, the province gives good promise, and with favorable weather, production should exceed earlier estimates. Rye harvesting will be completed this week, and barley cutting is general. Wheat is ripening slowly, and cutting will commence in a week's time.

SASKATCHEWAN.—Cool weather, with heavy rains, has prevailed in this province, but is now moderating, and conditions have improved. Rains have so revived crops in central and northern parts, which suffered drought, that many will be garnered, which had previously been considered as past redemption, and with favorable weather later some grain may yet produce a fair yield over the greater part of the southern portion of the province. A good yield is anticipated, and cutting should be general this week.

ALBERTA.—There is not much change in the general situation. Wheat cutting has begun in low places, and if weather continues warm, will be general about the end of the month. In southern and central districts, and a week later in the north. Cutting operations have been hampered by rain on the Edmonton and B.C. Railway, but conditions are now more favorable, and cutting will be general in a week. In B.C. rethreshing and much needed rains occurred over most of the province. Rains in nearly every instance two or three weeks earlier than normal.

Monday, September 1st, being Labour Day, and a Dominion holiday, all places of business will be closed.

Standard News

Mr. Joseph Kjoller left Standard on Wednesday for Westby, Montana, where he will attend school during the fall term.

A number of farmers north-west of Standard suffered from a hail storm last week. Reports are in the effect that from 1915 to 1916 less is expected when the final adjustments are made.

Miss Pearl McKenzie arrived here on Thursday and has secured a position at Webb's Barber Hotel.

A great number of farm laborers have arrived in town and still continue to work. There certainly will be no shortage of farm help this season.

Miss Margaret Cannon arrived in Standard on Friday's train, and will teach at the Rockville School, four miles north of town.

Mr. E. Wirt was a passenger to Calgary on Saturday's train.

Mr. D. Kelly entertained his neighbors and Long Beach friends to a delightful afternoon tea on Thursday.

Mr. A. C. Lind and Mr. Hans Jensen each received a carload of plastering sand from Empress, Alta., on Friday. Mr. Lind's car will be used for a concrete basement and for plastering the walls of a three room addition which is being made to his house.

Mr. M. Kjar returned to Standard after his two weeks vacation on Thursday.

Tommy Midtown is back in Standard after an absence of three months, during which time he was employed in the mines at Crow's Nest and later on a farm at Vulcan.

Mr. Fred Chace was a dinner hostess on Sunday, August 18th.

Mr. and Mrs. F. D. Knowlton were visitors at the home of Mr. and Mrs. J. P. Pringle, Lacombe, over the week-end.

The U.F.A. held a very interesting meeting last Saturday night. One of the important items taken up at the meeting was the possibility of securing a permanent picnic grounds, and a committee was appointed to get all available information and report at the next meeting.

Carseland is to have a movie once a week for at least a month, and if well patronized perhaps all winter.

We should all be very proud indeed to live in a province where the leaders in our government are so blind to self interest, and self sacrificing where government is concerned. What ever the future has in store for the Farmers' Government, it may be happy in the thought that for a time we had at the head, men whose only thought was the well being of the province.

In Montana—"Only Ninety-six miles to Butcher's Departmental Store."

In North Dakota—"The rich to Spend Keeps People Scarcely from the Grounds."

In Illinois—"Yes, we have five more miles of pavement to lay," which proved to be about one hundred feet.

In Indiana—"Seven aunts are hit by trains every day and twenty-seven persons killed or injured. Lookout for the train."

In Wyoming—"Drive slow, many curves ahead, you might miss a fool."

In the States—"Detour, road under construction."

Ernest Ayres Dies as Result of Accident

Paralyzed from Chest Down is Rushed To Calgary Hospital.

Three headmen from a ditcher row when his team became frightened and ran away, Ernest Ayres, aged 27, got mixed up with the equipment, on a farm ten miles south of Strathmore, and was rushed to the Holy Cross hospital at Calgary, suffering from partial paralysis. The accident happened about nine o'clock Thursday morning and he was not found until 11 o'clock in the afternoon.

Just what caused the accident is not known. Ayres went out in the field of 7 o'clock in the morning, and as he was some distance from the house no one knew for some time after that anything had happened to him. When he did not return to the farmhouse at noon for lunch, the cause was investigated, and at nine o'clock he was found lying in the ditch, paralyzed from the chest down.

He was carried to the house, and when no improvement was shown in his condition, a call was sent to Calgary for Shaver's ambulance at five o'clock in the afternoon. He was brought to the city and taken to the Holy Cross Hospital, where he was attended by Dr. H. A. Gibson, but later succumbed to his injuries.

The entire district offer Mr. and Mrs. Robson, of Strathmore, brother-in-law and sister of the dead man, their deepest sympathy in their sudden bereavement.

Engineering Institute Visit Strathmore

Coming Events

Douglas Fairbanks Jr. in "Steven Steps Out" will be seen at the Strathmore Memorial Hall on Saturday, August 30th. All should see this picture as it will afford them many laughs.

Monday next, being Labour Day, the Regular meeting of Strathmore Lodge, A.F. & A.M. has been deferred until Monday, September 2nd. Members will be duly notified of the meeting.

MONTREAL, Que.—A dispatch from London is to the effect that as a result of the cancellation of the Ni-Kenka duties, many British firms are seriously considering establishing branch plants in Canada. One of the latest Sheffield steel firms has already purchased a plant in Vancouver, and it is more than likely that many other British concerns will follow this example.

MONTREAL, Que.—The importation of Canadian prime milk cattle into Japan, in order to offset the huge annual consumption of canned milk in that country, is the mission of a prominent cattle breeder of Osaka, Japan who arrived in Vancouver recently on the Canadian Pacific S.S. "Empress of Canada". Purchases have already been made in Quebec, and it is understood that further purchases will be sent in that province.

LETHBRIDGE, Alta.—Irrigated farm lands at Taber, in Southern Alberta, are attracting prospective settlers from the United States and Eastern Canada, and several land scouts have been sent to the vicinity by colonization organizations.

Mr. G. H. Patrick sang several songs, and Mr. P. Pioneer played some selections on his violin. Mrs. G. P. F. Boese kindly played the accompaniment.

All the music was excellent, and was much appreciated.

The meeting was presided over by Mr. R. S. Trowsdale, Chairman of the Calgary branch, and the general arrangements were in the hands of Mr. G. P. F. Boese, secretary.

Strathmore has received some very favorable publicity from this meeting as well as from this visit of the Western Canada Irrigation Association, and we will no doubt be well repaid for our hospitality.

Strathmore Meeting of the Calgary Branch

The Calgary Branch Engineering Institute of Canada held their mid-summer out-of-town meeting on Saturday, August 23rd, at Strathmore. The local members were warmly welcomed by their wives and members of the C.P.E. staff, had arranged for the entertainment of the visiting engineers and their wives and friends, from Calgary.

The visitors were impressed with the flowers, trees, and grounds at the irrigation headquarters, where they were received. Some members of the party were entertained at golf, through the courtesy of the Strathmore Golf Club, and others inspected the C.P.R. Supply Farm.

At 7 p.m. all the engineers, with their ladies and friends met at the G.W.V.A. Memorial Hall, and sat down to a very fine chicken dinner, provided by the Ladies Guild of the Episcopal Church.

The dinner was greatly enjoyed by everyone attending, and was a very jolly affair, with songs and short talks by prominent engineers. Mr. Stockton spoke for the local engineers, and E. C. Scotch, Senior Irrigation Engineer, from the U.S. Dept. of Agriculture, spoke as a representative of the American Engineering profession.

Mr. B. L. Thorne, C.P.R. Mining Engineer moved a vote of thanks for the entertainment provided, and Mr. P. Turner, who was connected with the early construction of this irrigation system seconded the motion.

Mr. G. H. Patrick sang several songs, and Mr. P. Pioneer played some selections on his violin. Mrs. G. P. F. Boese kindly played the accompaniment.

All the music was excellent, and was much appreciated.

The meeting was presided over by Mr. R. S. Trowsdale, Chairman of the Calgary branch, and the general arrangements were in the hands of Mr. G. P. F. Boese, secretary.

Strathmore has received some very favorable publicity from this meeting as well as from this visit of the Western Canada Irrigation Association, and we will no doubt be well repaid for our hospitality.

Golf Notes

All members are requested to have 6 scores of 9 hole rounds in the captain's hands by the end of this week, August 30th.

The qualifying round for the club championship (men's) will be played on Sunday, August 31st, 18 holes, medal play.

The eight men making the best scores will enter the first flight to play for the championship cup—the 8 next best to form the second flight to play for a silver medal, the remaining players to form a third flight to play for a bronze medal. Entrance fee \$50, payable by Saturday, August 31st, to A. D. Poole or L. G. Robinson.

The qualifying round for the ladies club championship will be played on Wednesday, September 2nd. The 8 ladies making the best scores for 9 holes will form a first flight to play for the club cup, the remainder will form a second flight to play for consolation medal.

Prizes will be offered in the qualifying rounds to the lady and gentleman making the best gross scores. Only members in good standing eligible.

Mrs. E. Reid has returned to take up her duties as schoolmarm at the Glenrose School, Tudor.

Mrs. H. Sanderson is back with us for a few weeks on her farm at Tudor.

Mrs. H. A. English has returned from a splendid vacation visiting friends and relations in B.C.

Mrs. F. E. Ryan and Frankie have returned from visiting Mrs. Hynes' home in Prince Albert, Sask.

Mr. A. E. Long, of the Canadian Bank of Commerce staff, Calgary, has been transferred to the Rockyford branch, filling the vacancy caused by the resignation of Mr. A. G. Hill, who has left for Edmonton.

Quite a number of Rockyfordettes took in the dance at Rosbeed last Thursday evening. Rosbeed is staging another dance this coming Friday in aid of the blind Mr. J. McDonald, Calgary.

The Rockyford Baseball Club staged another ball game this past Sunday, when the Munson team, captained by Shorty Gray, clashed with the local boys. The visitors had the best of the game until the sixth inning when the score was 2-3 in favor of Munson, when our boys started to step out. The game ending 12-9 in favor of the local team. There was some very good plays made by both sides, but they could have shown a little more pep. At any rate the fans witnessed a fairly good game of baseball. Umpire Billy Hiett was on the job, and was called upon to give some very close decisions. If the fans would turn out as well at every game as they did on Sunday, Rockyford should be able to support a baseball team; but we need financial support as well as moral support.

Congratulations to the Municipality of Graesswood on their splendid work in fixing up the roads in the Rockyford and Tudor districts. Better roads means more visitors and more business to the district in which they are located and the council of the municipality deserve a lot of credit for the way in which they have handled the road situation this year. The Kenna Municipality have also been doing good work lately on the roads in the eastern portion of their district, and it is certainly appreciated by all that have to use them. If the town council of Rockyford would see their way clear to get the road running east and west on Railway Ave. in first-class shape they would be earning the thanks and gratitude of all motorists.

Dead—The infant daughter of Mr. and Mrs. A. Schmidt, of Rockyford, at the Holy Cross Hospital, on Friday, August 22nd. Burial was made in the cemetery north of Rockyford on Monday.

STRATHMORE WINS
 BASEBALL TOURNAMENT

 Langdon, Carleton, Calgary and
 Strathmore Teams Meet on
 Local Diamond.
 —0—

On Friday, August 16th, the biggest and best tournament of the season was staged on the local diamond, between picked teams from Calgary, Langdon, Carleton, and Strathmore. While the attendance fell below the expectation of the promoters, the games, nevertheless, proved to be of first class caliber, each and every player doing his best to secure the honours for his respective team.

Good Play By Crellin

In the first game of the tournament, between Langdon and Strathmore, Crellin, Strathmore's hope, twirled what is undoubtedly one of his best games, keeping his opponents down to only nine hits, which were mostly pot-bats, and of no real value to Langdon. Eddie is, without doubt, a corner. Being his first season with senior ball, he is handicapped by lack of experience, but with constant practice and a season or two's experience behind him, he will develop into one of the best amateur pitchers of the west.

Walker, for Strathmore, played brilliant ball in the first game, making a home run and a three-bagger, which brought the fans to their feet on both occasions. His batting was one of the main features of the game.

The lineup and score by innings of the first game is as follows:
 Langdon—Morton s.s., Giroux r.f., Ray 2b, b. Payer c.f., Robb c., Webb 1b, Miller 1b, Pettrey 3b, Sweeney p.

Strathmore—Baker s.s., Brown r.f., Knight 2b, Reich c.f., Kinnert c., Gray 1b, Bushman 1b, Walker 3b, Crellin p.

Score by innings—
 Langdon 2 0 0 0 0 1 0 0—3
 Strathmore 0 0 0 2 0 0 0 0—7

Second Game

Calgary vs. Carleton

The afternoon game was played by the boys from the city and the famous team of the south, Carleton. This was a real exciting game as Carleton had the lead to the eighth inning by a score of 8-5, but the Calgary boys came back strong in the ninth, and scored four runs, noosing Carleton out of the finals by one run.

The lineup and score by innings is as follows:
 Carleton—Morton, Stinson, Maco, Urick, Phillips, Fortner, W. Phillips, Denton, A. L. Morton.
 Calgary—Murphy, Brown, Thompson, Helmer, Stoddard, McDonald, Brice, Thompson, Lewis.

Score by innings—
 Carleton 2 0 0 0 0 1 0 0—8
 Calgary 1 2 0 0 0 0 4 0—9

Third Game

Strathmore vs. Calgary

The final game for first place in the tournament was played in the evening between Calgary and Strathmore, and was stopped in the sixth inning on account of darkness. The Calgary boys put up a strong fight, but were unable to compete against the local boys and lost out by four runs.

Crellin again distinguished himself by twirling the ball in the last two innings in such a manner as to prevent his opponents making a single hit.

The lineup and score by innings is as follows—
 Calgary—Murray s.s., Brice r.f., Murphy 2b, Thompson c.f., McDonald c., Thompson p., Sweeney p., Lewis c.f., Helmer 1b, Stoddard 3b.
 Strathmore—Baker s.s., Brown r.f., Knight 2b, Reich c.f., Kinnert c., Fortner p., Crellin p., Gray 1b, Bush-

TORONTO, Ont.—It is anticipated that English orders for Canadian wool will exceed 1,000,000 pounds this year, which will be a considerable increase over the business of 1923, which amounted to 700,000 pounds.

QUEBEC, Que.—Between five to six million dollars is being spent this year for the purchase of gasoline to operate motor vehicles and motor boats in the province, either by local residents or visitors, according to statistics now being compiled by the provincial revenue department. The quantity of gasoline used throughout the entire year is estimated at 17,500,000 gallons.

Successful Horticultural Show at Nightingale

Nightingale Horticultural Show, held on Saturday, August 16th, was declared by the many visitors to be a great success. While the entries were not very numerous, there were exhibits of outstanding quality, which ensured keen competition.

Great interest was shown in the fruit exhibit, which showed what can be grown without irrigation.

It is hoped to make the show an annual affair. The committee endeavored to express their appreciation of the generous prizes donated by Alberta Mercantile Co., Nightingale, H. Bell, Danahy, Barber & Co., Ltd., A. H. Foster, R. Fox, Jas. Saunders, and F. Cott, of Strathmore; W. Fisher, East End Meat Market, Calgary, and the W. A. Burgess & Co., Philadelphia.

Rosebud Notes

The many friends of Mrs. Chas. Comstock are grieved to hear of the sudden death of her only sister, Mrs. Holmes, of the same name. Mrs. Comstock has the sympathy of the entire community in her bereavement.

Mr. Fred Stanley arrived in Rosebud Saturday. His old friends are glad to see him.

Mrs. Stella Hughes has, as her guests at the Stanley farm, her sister, Mrs. Elmhurst and her children, from Manitoba.

Thursday night's dance in the Rosebud Hall drew a splendid crowd. The music was splendid, and the evening was thoroughly enjoyed.

Mr. and Mrs. R. M. Fraser and family are moving to Rosebud, and have taken the house formerly occupied by Mr. and Mrs. Adams.

We are sorry to learn that Mrs. Dotch was taken to Calgary on Thursday last, where she underwent an operation. We understand that she is getting along as well as can be expected.

Mrs. Stomberg, our genial telephone operator, is quite ill at her home.

They say Doc Kempf is raving about his wonderful McCormick binder. He says he has been cutting for two whole days on one half of twine. It surely must be some kinder.

Mr. L. W. Comstock and Mrs. Chas. Comstock, accompanied by Mrs. Brunner spent Friday and Saturday in Calgary.

ALL WRAPPED UP IN HER RADIO

Here's a young maiden—Miss Mildred Jones of St. Louis—who is keenly interested in Radio she's simply "wrapped up" in it. Not literally speaking, but actually.

What appears to be a bathing suit in the picture, is in reality a black silk covered, wire structure that holds the aerial entertainment to her via the miniature radio set she is holding in her hand. Quite novel, yes, the set, but—er—particularly the suit.

VANCOUVER, B.C.—Mr. D. Muir, of the Scottish Cooperative of Glasgow, a great milling company, has just left Vancouver for home after investigating the grain and shipping facilities of the port. It is probable that his company will utilize Vancouver in shipping grain to Scotland. This company already operates a line of elevators.

Make your hair beautiful with this shampoo

You know women whose hair is always beautiful — no matter how plainly arranged. Think for a moment and you will agree that this beauty lies altogether in softness, the healthy gleam of natural color. That is something every girl and woman can have. By simple care in shampooing. This way recommended by authorities. Now you can test it at our expense. Use an olive oil shampoo. It never leaves hair dull, brittle, dead-looking. Because it cleans mildly, yet thoroughly, each hair, down to the tiny scalp pores. Leaves scalp and hair healthy clean.

All the lovely natural lights and glints of color are brought out. Your hair is silken soft, pliant, with that lovely sheen. Use olive oil in its dainty, modern form for the hair — as blended in Palmolive Shampoo. Not the least bit oily. And it has the additional advantage of economy. Get free 15c trial bottle. Simply send coupon.

And see how delightfully the first shampoo improves your hair.

The W. M. officers, and members of the Strathmore Lodge will pay a fraternal visit to King George Lodge, Calgary, on Friday, the 29th inst. Will members please inform Mr. Lockhart if coming, and he will allocate cars.

At the Union Church on Sunday evening next, August 31st, Mr. and Mrs. H. L. Wanner will sing in a duet. Their music friends are anticipated and the congregation will be delighted to hear them again. It will be a Labour Day, and the audience will be on the subject "Fountain of People". Mr. Lockhart, with a full choir will assist in the singing.

Last week Mr. F. C. Sedgley and W. A. Muehling, of the U.S. Dept. of Agriculture, with headquarters at Berkeley, California, have been securing water in various flumes and irrigation structures on the Western section. They were accompanied, while here, by Mr. W. S. Patterson, Acting Hydrographer, and are now on the Eastern Seaboard. Mr. Sedgley is a well-known authority on Hydrology, and will address the Calgary Branch of the Engineering Institute of the Calgary Board of Trade Rooms next Thursday evening.

The report of the Masonic picnic, which was held in the park on Monday, August 26th, will be published in our next issue.

Mrs. S. Fallows, of Victoria, B.C., a former resident of Balmore district, is recovering nicely after a serious operation.

A representative of the Soldiers Settlement Board was in town on Monday and called on the Council of Bow Valley, who were holding their meeting. The Board is bringing experienced men for work on farms from the dried-out districts to parts of the province where the crops are good, and helps needed, and as these men are all returned veterans, and have had some years experience. This will be a good opportunity for the farmers of the district to employ for the fall work at a reasonable figure. Enquiries at the Agricultural Dept. of the Dominion Government in Calgary will meet with a ready response.

The following pupils of Alameda School passed the June Grade 8 departmental examinations: Katie Cushman, Anna Fransson, Bruce Gray, Eddie Ross, Alexander Utton.

The Women's Institute met last week with Mrs. Eber Thompson. A splendid program was enjoyed, including the report of the annual convention held in Calgary in May. We feel greatly indebted to our delegate, Mrs. E. Zerkle, who brought home one of our last requests was.

The Women's Institute is one of the leading organizations to the women of the district to visit. Our meetings, which are held every third Wednesday of the month.

After attending the meetings of the British Association at Toronto, H. G. White, M. Sc. O.B.E., Professor of Agriculture at Danjor University, N. Wales, paid a short visit to this district, and spent a day with his cousin, R. H. Marshall. In addition to his educational work, the professor manages the University farm of 700 acres, and was greatly interested in the problems of the western farmer. A good grasp of which might be obtained in ten years in his opinion. Several samples of soil were taken for analysis. Professor White is travelling home through the States.

Pretty Social Event

The home of Mr. and Mrs. Jones was the scene of a delightfully arranged lawn party and corn roast on Friday evening, August 22nd. Lightly decorated with red streamers illuminated the lawn, where the guests enjoyed games and dancing during the first part of the evening. At 10:30 they gathered at long tables covered with a great variety of good things to eat. They were served immediately with plate after plate of roasted corn, which everyone enjoyed to the utmost. After supper the guests spent the remainder of the evening indoors at bridge and dancing. About seventy guests were present.

Mrs. Douglas French paid a typical visit to town last Wednesday, and we were sorry to learn that there does not seem to be much improvement in Douglas's health. Mr. and Mrs. French have been away for over two months now, and their many friends will be glad to see the by that would return.

Mr. and Mrs. Roberts from Revelstoke, are visiting their daughter, Mrs. G. H. Patrick.

Mrs. Currie, who has been enjoying a short holiday in Calgary, was in Strathmore again on Sunday.

We confess to a feeling of disappointment on learning that our local Telephone Office did not receive first prize in the stump competition for the best office and surroundings. Praise has been forthcoming, both from residents and visitors on the beauty of the grounds and tastefully laid out flower beds, and we do not hesitate to congratulate Mr. McFarland on his work in revivifying a patch of clay, making it a thing of beauty. Next year may bring first prize to Strathmore, but in the meantime "Virtue is its own reward."

Mrs. E. C. Scheer and daughter, Edna, are leaving next week to take up their residence in Calgary, where Miss Scheer will enter Garbutt's Business College. We hope that one of our colleagues will not succumb to the blow.

Mayor H. W. B. arrived back last Saturday from a visit to the Old Country, where he has spent the last three months or so. He also crossed to the Continent and visited the scenes of the late war, not to mention giving pay France the once-over. Harold is now trying his best to lose his English accent, isn't he?

Two or three times last week some of the boys were able to see the beauty of a dawn in Alberta, when they returned home from the dance at Carleton and Glenora. We noticed that four of the boys looked more washed out than the others, and we could not account for it, until we discovered that "Red" drove them home. However, they eventually arrived home without mishap in time to commence work Saturday morning.

Wedding

EWING — LAMB

A very pretty wedding took place at the Union Church, Arnes, on Wednesday, August 26th, at 11 a.m., when Phoebe Barclay, daughter of Mr. and Mrs. Alexander Lamb, of Arnes, became the bride of Mr. Franklin J. Ewing, son of Mr. and Mrs. S. J. Ewing, of Irticane. Rev. D. Whyte officiating.

The bride entered the church on the arm of her father to the strains of Lohengrin's Bridal Chorus. She was attended by her sister, while Mr. Frank J. Kernick acted as best man.

The church was attractively decorated with ferns, sweet peas, and flowering plants, for the occasion.

Miss Stella Ewing, sister of the groom, presided at the organ. Mr. Eric Lamb, acting as usher, reserved the front section of the church for the guests, the pews being marked with white bows.

Following the ceremony a reception was held at the home of the bride's parents, and a buffet luncheon served, parents, and a buffet luncheon served.

Among those present were: Mr. and Mrs. S. J. Ewing, Miss Ewing, Miss M. L. Kernick, Mrs. King, Mr. King, Mr. Kernick, Mrs. King, Mr. King, Mrs. McIntosh, Mr. and Mrs. D. Whyte Smith, Mrs. Vickerman, and Mrs. Cate.

Mr. and Mrs. Ewing left by motor for Calgary, en route to Banff and other western points on the Western road.

Upon their return, the latter part of August, they will reside in Irticane.

Smilin' Charlie Says

Yesterday our office jester said "Only time a woman keeps her mouth shut is when she's waiting for a number on the 'phone" — bet he never saw an old maid listening in on a party line!
